

EURAM 2005, Munich

**Wednesday May 4**  
**Preconference on Corporate Governance**  
**- Codes, standards and principles of**  
**corporate governance across Europe**

A preconference will be held 1200-1545 at TUM city campus, the same location as the EURAM opening at 1600. In the evening we plan an informal meal after the reception at Bierstube "Unionsbräu" at 20.00h

The preconference will focus on the special features of various corporate governance systems in Europe and its implications for board practice and board research. The format will be a roundtable discussion with short introductions from some participants to stimulate discussion.
